Curriculum Vitae
Monica Bianchi, RN, MScN, EMBA, PhD.

Board Member VFP

After numerous years in the function of staff nurse in different fields and after having held management roles in health care such as Nurse Director (in Italy and successively in Switzerland) Monica Bianchi started working in 2015 at the University of Applied Sciences & Arts of Southern Switzerland in the Department of Business Economics, Health & Social Care. Initially, she conducted the feasibility analysis for the Master of Science in Nursing (MScN) in Canton Ticino and as well as this she was involved in teaching and research activities. In February 2019 she became the Head of MScN and in January 2019, she was appointed Professor in Interprofessionality in education and health-social practice.

She obtained the diploma for RN in 1987, Certificate in Managing and teaching Nursing in 1999, MScN in 2005, Executive Master Business Administration (EMBA) in 2013, PhD in Nursing Research in 2017.

Her research focuses on interprofessional education and collaboration. Her fields of teaching are interprofessionality, health management, leadership and qualitative research. She is SSPH+ Faculty member.
